Re: PUC Docket No. F-2009-2147558
BCS#: 2422585

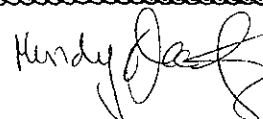

I recently filed a PUC Complaint with PECO Energy on December 14, 2009. On January 4, 2010 I was contacted by Ken Massey, Counsel for PECO Energy via written correspondence of his action to request dismissal of my complaint and burden me with more financial hardship with legal litigation. **As a result, I will not be financially able to retain an attorney on my behalf to represent me in this case. Legal representation will cost more than the disputed charges on my bill, therefore, due to financial reasons I have no other choice but to repeal my complaint with PECO Energy.** I have also established a payment plan with PECO Energy to pay the disputed charges. Please feel free to contact me at the address above with any questions. Thank You for your anticipated assistance with this matter.

Sincerely;

Shawn C Bibby
