Docket No. C – 2010 – 2153354

**Philadelphia Gas Works
Preliminary Objection
For Failure to Join a Necessary Party**

Pursuant to 52 Pa. Code §§5.61 and 5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objection to the Complaint filed in the above captioned matter on the grounds that the Complaint has failed to join a necessary party to this matter, pursuant to 52 Pa. Code §5.101(a)(5). In support of its preliminary objection, PGW hereby avers the following:

1. On or about January 21, 2010, the Complainant filed a formal complaint against PGW with the Commission under Docket No. C-2010-2153354, regarding gas service to 5339 Market Street, Philadelphia, Pennsylvania (Service Address).
2. On September 29, 2008, a PGW representative visited the Service Address pursuant to a billing dispute asserted by Robert Parker the tenant and the PGW Customer of Record at the Service Address and found that one (1) house heater and one (1) water heater supplied the entire Service Address.
3. Pursuant to the Public Utility Code (Code), 66 Pa. C.S. §1529.1(b), PGW transferred the entire outstanding balance of Robert Parker’s PGW account, (\$1,614.15 as of September 5, 2008) to an account for the Complainant.
4. The Complaint denies the existence of the “foreign load” and avers that the Complainant’s tenant, Robert Parker, should be responsible for the entire outstanding balance, which is now \$5,529.29.
5. The Complainant’s tenant, Robert Parker, is not a party to this proceeding.

6. If the Complainant is successful in this matter, the rights of the tenant at the Service Address, Robert Parker, will be materially affected.

7. The Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101(a)(5) state that Preliminary Objections may be available to parties and be limited to, *inter alia*, "...nonjoinder of a necessary party..."
52 Pa. Code §5.101(a)(5) (Emphasis added)

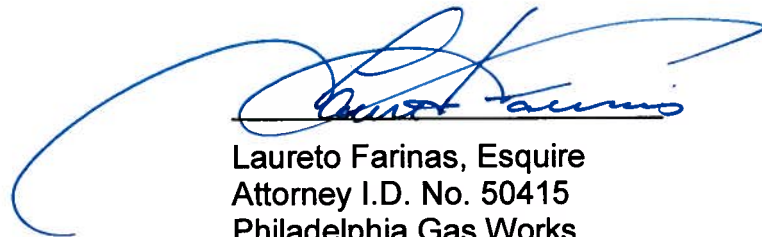

8. Pursuant to the Commission's decision in *Susan Afshari v. PPL Electric Utilities Corporation and Kim and Mike Fantazier (Indispensable Party)*, C-20055547 (April 9, 2008), the tenant in such foreign load cases will be joined as an indispensable party to the Complaint and (landlord and tenant) together must provide as much information as possible to the presiding Administrative Law Judge (ALJ) so that the ALJ may render a reasonable decision.

9. The Complainant has failed to join the tenant Robert Parker as an indispensable party to this matter.

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objection to the Complaint and issue an order to the Complainant to join his tenant, Robert Parker, as an indispensable party to this matter.

Respectfully submitted,
