**Re: Rev. Gloria M. Case v. PECO Energy Company
PUC Docket No. C-2009-2141664**

Dear Rev. Case:

Enclosed is a copy of PECO Energy Company's Answer to the complaint filed in the above-referenced docket. The law requires PECO Energy to file an answer to your Public Utility Commission complaint. Keep these papers for your records. This Answer is not a decision on your complaint. If there is a "Notice to Plead" attached to this Answer, you should review the Notice to Plead for information on how to respond to a New Matter (a paragraph at the end of the Answer) and/or Motion to Dismiss (a separate document after the Answer) that may have been included with the Answer. If there is not a New Matter or a Motion to Dismiss, you do not need to reply.

Soon, the Public Utility Commission will schedule either a settlement conference or a hearing on your complaint. The Commission will let you know by mail whether there will be a conference or a hearing and will include instructions on what to do next. If the matter is set for hearing, the notice will provide you with information about the date, time and place of the hearing. If we are unable to resolve your complaint and have to proceed with a hearing, a judge will be at the hearing and will decide your complaint. You must call the Public Utility Commission if you have any questions about the hearing or if you cannot attend the hearing.

If you have any questions or concerns at any time, please do not hesitate to contact me at the above listed number.

Very truly yours,

Ken Massey
Counsel for PECO Energy Company
