Re: Application for Registration – SYR Solutions, L.P.

Please find enclosed one (1) original, three (3) hard copies, and one (1) electronic copy of the Application to the Public Utility Commission (PUC) for SYR Solutions, L.P. to become licensed to provide electricity consulting services to large businesses (>25KW) in the State of Pennsylvania. Also enclosed is a check for the \$350.00 initial licensing fee.

This Application is completed to the best of our ability in accordance with all written instructions and after several clarification calls with PUC Staff and other state departments, all of which were very helpful. In the event of questions or missing information, please contact Parks Cobb at (713) 409-1532 (cell) or (281) 990-1320 (office) or by e-mail at pcobb@syrlp.com.

SYR Solutions, L.P. has registered to do business in Pennsylvania with the Office of the Secretary of State of Pennsylvania but a Corporate Box number has not yet been issued. This is expected within the next two weeks and a revised Tax Certification Statement will be submitted immediately thereafter. Similarly, the required newspaper notices and associated Affidavit are incomplete pending receipt of a Docket Number from the PUC.

As noted in the Application, copies of this Application were sent to the first four (4) parties listed in Section 14 but not the Electric Distribution Companies listed because SYR Solutions, L.P. does not provide electricity to consumers through EDC lines. SYR Solutions, L.P. is a consulting company that provides advice to businesses that desire assistance when evaluating electricity purchasing alternatives. If this was an incorrect interpretation, we will be pleased to send copies of this application to the EDC's listed.

Thank you in advance for processing this Application expediently.

Best Regards,

A. Parks Cobb, Jr.
CEO
