Re: Appeal PECO Electric Shut off account 27710-01502 on November 12, 2009
for refusal to pay for non existing gas service.

Re: Improper billing account # 46267-00608

Dear Governor Rendell and Madam Secretary:

Please be advised I received today a bill from PECO, wherein all disputed amounts in respect to PECO illegal and improper shut off of gas and electric at my home at 905 Black Rock Road, Gladwyne, PA is now being billed to my second residence at 624 Montgomery School Lane, Wynnewood, PA. When I called to speak with PECO, "Ameena" told me that because it was not an emergency as defined by PECO that she would not handle my complaint.

My complaint is simple. PECO has illegally and improperly been billing me for nonexistent gas use at my home at 905 Black Rock Road, Gladwyne, PA. In

retaliation for of refusing to pay for nonexistent gas service, PECO without notice terminated all electric service to my home!!! That issue while supposedly under appeal with the PUC, appears to have fallen on deaf ears.

Now, PECO has attached all billing for the bills that are in dispute and for service that was disconnected at 905 Black Rock Road, Gladwyne, to my second residences at 624 Montgomery School Lane. Just as PECO did not consider it an emergency when they shut off the gas and then the electric, they now do not consider relevant or an emergency to discuss the bill they have now sent.

PECO had no right to disconnect my gas or electric at my home!!! Furthermore, they do not have a right to transfer those bills for the non existent service under appeal to my present residence.

I ask and seek that PUC you act, and not delay my complaint or as I was told the last time my appeal that my electric and gas remain off at my home and now apparently being threatened to be shut off at by second residence.

PECO has a history of improper billing for the non existence of gas service at my home location for years. Each and every complaint filed with the PUC has without notice to me, except for Jim Farley's most recent action, has been closed without resolution and decided in the favor of the gas company.

Although, Mr. Farley served me with a determination in PECO's favor allowing the gas company to disconnect my gas service this past summer and allowed to continue to bill me for ongoing non existing gas service. **It was, as demanded promptly appealed on October 8, 2009, to no avail!** Mr. Farley had allowed PECO to terminate all gas service to this property this past summer! Not only was there no gas usage at the property, but this past summer PECO had shut off and terminated service entirely with the PUC's consent and YET CONTINUES TO THIS DATE (FIVE MONTHS SINCE IT SHUT OFF THE GAS ENTIRELY) TO BILL AS IF SERVICE AND USAGE CONTINUES!

Upon receipt of PECO's shut off notice of my electric, I repeatedly contacted the PUC, to no avail! Apparently and without prior notice to me, on November 12, 2009, the PUC allowed PECO to shut off my electric for the non payment of PECO's ongoing billing of gas for phantom usage. When I contacted the PUC again and still could not get assistance, I contacted the governor's office who then sent me back to the PUC.

On December 12, 2009, I received from the PUC the forms I have now completed and returned. **I HEREBY APPEAL THE PUC'S DECISION TO ALLOW PECO TO SHUT OFF MY**

**ELECTRIC ON NOVEMBER 12, 2009 AS A RESULT
OF MY REFUSAL TO PAY ONGOING BILLING OF
PHANTOM GAS USAGE.**

My home has been with ^{out} gas or electric since November 12, 2009 (WHAT'S DOES IT TAKE FOR PECO TO CALL IT AN EMERGENCY???) and now being subject to mold because the dehumidifier is shut off and I believe the pipes in the property have now been frozen. **PECO HAS MALICIOUSLY CAUSED PURPOSEFULLY CAUSED MY HOME TO BE UNINHABITABLE BECAUSE I REFUSE TO PAY FOR PHANTOM GAS USEAGE!!!** With the PUC's implicit consent to shut off my utilities and failure to take prompt action to restore, my home that was worth in excess of 1.3 million, HAS NOW AS A RESULT OF PECO'S ILLEGAL CONDUCT BEEN REDUCED TO AN UNINHABITABLE STRUCTURE. **THE RESULTING LOSS TO PROPERTY AS A RESULT OF PECO'S ACTS, IS IN THE HUNDREDS OF THOUSANDS OF DOLLARS!**

I ASK THE GOVERNOR TO ASSIST IN THIS MATTER AND NOT TO SIMPLY PAST IT BACK TO THE PUC!!!! THEY FAIL OR REFUSE TO ACT APPROPRIATELY!!!!!!!!!!!!
