**RE: Barney v. PPL Electric Utilities Corporation**  
**Docket No. C-2009-2107073**

Dear Mr. Barney:

On June 3, 2009, PPL Electric Utilities Corporation ("PPL Electric") filed an Answer to Complaint and New Matter, responding to your above-referenced Complaint, that that pertains to a proposed transmission line in Polk and Chestnuthill Townships, Monroe County, Pennsylvania. There, PPL Electric indicated, among other things, that it would be filing with the Pennsylvania Public Utility Commission ("Commission") an Application for approval of the siting and construction of the proposed transmission line. PPL Electric further requested that the Commission hold your Complaint in abeyance pending the filing of that Application.

On January 8, 2010, PPL Electric filed an Application for Commission approval of the transmission line that is the subject of your Complaint. The transmission line is known as the Effort Mountain #1 and #2 138 kV Taps. The Application was docketed by the Commission at A-2010-2152104. Enclosed, for your information, is a complete copy of that Application. In addition, on January 15, 2010, PPL Electric filed with the Commission a Petition for a finding that a building to shelter control equipment at a proposed substation in Chestnuthill Township is reasonably necessary for the convenience or welfare of the public. Also enclosed for your information is a copy of that Petition.

A prehearing conference in the above-referenced proceeding has been scheduled for March 23, 2010, at 10:00 a.m. in Hearing Room 2 in the Commonwealth Keystone Building, 400 North Street, Harrisburg, Pennsylvania. Also enclosed for your information is a copy of the text

of the notice of the Application and prehearing conference that was published in the *Pocono Record* on January 27, 2010 and February 3, 2010. As indicated there, if you intend to participate in this proceeding, you should file a Protest or Petition to Intervene with the Secretary of the Commission by March 5, 2010.

PPL Electric anticipates filing in the near future a motion to consolidate your complaint with the other proceedings identified above. A copy of that motion will be served on you when it is filed.

Very truly yours,
