**B. State the facts of your complaint**

**I am opposing the application of Laser Marcellus Gathering, which I have attached a copy of, for approval of a gas-transporting Pipeline through Susquehanna County, Pa., through the townships of Great Bend, Liberty, Franklin, Silver Lake, and Forest Lake.**

**The Docket No. is A-2010-2153371.**

**I am requesting that further study of this pipeline be conducted via an environmental-impact study on the areas' eco-systems and roads that will be impacted by a Pipeline of this length and magnitude, going through five townships.**

**I am asking that a copy of this application be set up in our county for public review and comment and not just having it in Harrisburg. We cannot expect a county to travel to Harrisburg to view this.**

**I am asking also, for additional time for our county residents to review this and comment since it is not posted in our county.**

**I am opposing this Pipeline until further study on our environment can be done. We are lake communities and are concerned about the possible contamination of soil and water and damage to our land from all this extensive construction.**

**I live in Brooklyn Township, Pa. and also own property in Silver Lake Township, at 71 Gus Park Lane, Brackney, Pa. 18812.**

**Thank you for your consideration of my requests.**
