RE: Letter of Notification Of PPL Electric Utilities Corporation, Filed Pursuant To 52 Pa. Code Chapter 57 Subchapter G, With Respect To The Schoeneck #1 and #2 138/69 kV Transmission Tap Line In Lower Macungie Township, Lehigh County, Pennsylvania - Docket No. A-2010-2161788

Dear Secretary McNulty:

This letter updates the status of the above-referenced Letter of Notification filed by PPL Electric Utilities Corporation ("PPL Electric") on February 25, 2010. In Paragraphs 30 and 44 of the Letter of Notification, PPL Electric indicated that as of the date of filing it had been unable to acquire one right-of-way necessary for the proposed Schoeneck #1 & #2 138/69 kV Transmission Tap Line. PPL Electric has continued to negotiate with the relevant property owner.

On March 1, 2010, PPL Electric and the relevant property owner executed a right-of-way agreement. As a result, PPL Electric has successfully acquired all of the rights-of-way necessary for the proposed Schoeneck #1 & #2 138/69 kV Transmission Tap Line and, therefore, will not be filing an application pursuant to Section 1511 of the Pennsylvania Business Corporation Law of 1988, 15 Pa.C.S. § 1511, seeking findings necessary for the exercise of the power of eminent domain related to this project.

As indicated on the certificate of service, copies are being provided to the parties in the manner indicated. If there are any questions concerning this matter, please contact me at the addresses or telephone numbers provided above.
