## NOTICE

Re: Application of PPL Electric Utilities Corporation Filed Pursuant to 52 Pa. Code Chapter 57, Subchapter G, for Approval of the Siting and Construction of a New Transmission Line in the Area of Effort/Jonas/Sun Valley in Polk and Chestnuthill Townships, Monroe County. Docket No. A-2010-2152104.

Notice is hereby given that the Application described above has been filed by PPL Electric Utilities Corporation (the Company) for authorization to construct a new transmission line in the area of Effort/Jonas/Sun Valley in Polk and Chestnuthill Townships, Monroe County, to improve electric system reliability by resolving overload conditions on the Company's distribution system currently serving this area.

The new transmission line will be built along newly acquired right of way from the Company's existing transmission line along Pheasant Run Road. The new line will continue west and then northwest, ending at a new substation located along Reynolds Road in Indian Mountain Lakes. The Company will operate this new transmission line at 138 kilovolts.

This new line is being constructed to supply a new Effort Mountain Substation, which will help relieve current and projected overloading conditions on the company distribution system current serving the Effort/Jonas/Sun Valley area.

A Prehearing Conference upon this Application will be held Tuesday, March 23, 2010, at 10:00 a.m. in Hearing Room 2 in the Commonwealth Keystone Building, 400 North Street, Harrisburg, Pennsylvania, when and where all persons having properly filed a protest or petition to intervene in accordance with Commission regulations may appear and be heard. The purpose of the prehearing conference generally will be to identify the relevant issues and interested parties, if any, and to establish a schedule for the submission of evidence, hearings and other procedural matters, if required.

Under regulations of the Pennsylvania Public Utility Commission (52 PA. Code Section 57.75(h)), if no protests or petitions to intervene in this matter are received by the Commission seven (7) days prior to the date established of the prehearing conference set forth above, the Applicant (PPL Electric Utilities Corporation) may move, and the Administrative Law Judge may order, that the Application be decided without a hearing.

If you wish to participate in the process before the PUC, you should file a protest or petition to intervene with:

James J. McNulty, Esquire  
Secretary  
Pennsylvania Public Utility Commission  
P.O. Box 3265  
Harrisburg, PA 17105-3265

You should also provide a copy of any protest or petition to *intervene* to PPL Electric's counsel, whose names and addresses are provided below. As a reference aid, be sure to include the project's "docket number," which is A-2010-2152104.

A complete copy of the Application, including all Exhibits and Appendices, is available for public inspection weekdays during normal business hours at PPL Electric's headquarters (2 North Ninth Street, Allentown, PA), at the project's Web site, [www.monroepowerproject.com](http://www.monroepowerproject.com), and at the following locations:
