Re: Docket No. M-2010-2157431

Dear Mr. McNulty:

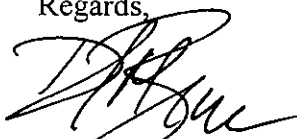

Per your letter dated March 18, 2010, please be advised that National Utility Service, Inc. (A-2009-2084312) is currently licensed in the Commonwealth of Pennsylvania as an Electric Generation Supplier, however, it does **not** provide retail electric supply services (*i.e.*, takes title to electricity).

Accordingly, we will not be providing the Commission with any documentation as requested in the letter dated March 18, 2010.

Should you have any questions or comments regarding the above, please contact me at (201) 391-4300 extension 105 or via email at [dbrown@nusconsulting.com](mailto:dbrown@nusconsulting.com).

Thank you.

Regards,

David M. Brown
