Re: Petition of PPL Electric Utilities
Schoeneck # 1 and #2 Transmission Tap Line
Lower Macungie Township, Lehigh County

Dear Secretary McNulty:

The Lehigh Valley Planning Commission considered the above referenced matter at the March 25, 2010 meeting. The Commission voted to offer no comments on the petition that the PUC find that the proposed transmission line is reasonably necessary for the convenience or welfare of the public and therefore exempt from Township zoning requirements.

Sincerely yours,

Olev Taremäe, AICP
Chief Planner
