

- Q.13. Regardless of whether a claim for negative or positive net salvage is made, attach an exhibit showing gross salvage, cost of removal, third party reimbursements, if any, and net salvage for the test year and 4 previous years.
- A.13. Attachment II-D-13 provides PPL Electric's claimed provision for negative net salvage. This claim follows principles previously proposed and accepted by the Commission at Docket No. R-842651 for the accounting of the Company's net salvage.
