

Q.27. If the utility's operations include non-jurisdictional activities, provide a schedule which demonstrates the manner in which rate base and operating income date have been adjusted to develop the jurisdictional test year claim.

A.27. The Commission's Order, at Docket No. R-8003114, provided that future retail rate filings by PPL Electric should be on a PUC jurisdictional basis only. This filing has been prepared in compliance with that order. Total system measures of value and components of operating income have been assigned and or allocated between the FERC and PUC jurisdictions and the proposed revenue increase has been determined on a PUC jurisdictional basis only. See Exhibit JMK 2.
