Dear Mr. McNulty,

Re: Docket Number A-2008-2054272

Titan Gas and Power (Titan) would like to amend its license to supply Natural Gas under the Energy Choice Program to include residential and small commercial customers. We are currently serving commercial customers in the PECO Energy territory. PECO Energy does not require any additional credit assurances from Titan.

The Bureau of Consumer Services review of Titan's residential and small business disclosure statement was completed and approved on March 11<sup>th</sup> 2010.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan Binney", written over a horizontal line.
