

Mary Plautin
C-2009-2116209

To Secretary Of the Commission
I Mary Plautin disagree on the
behalf of Peco Energy saying I was
wrong about my electric bill. My bill can't
be 18518.50%. Peco could have my meter
mess up with someone elses. Or someone
could be messing around. From the time
Peco knew I moved here at this address
at 1324 Pellison St. Chester Pa. I ^{told them} was
disabled. And that I can't work on
a job. I believe Peco people has been
watching me. Or payed someone else to
do it. And payed someone to make my
meter higher than want it is. Went
Peco doesn't like me. What is it. Because
I am a female Black American.
