SECRETARY'S BUREAU

Dear Sirs:

Our company owns three apartment buildings in Penn Hills. Over the last few months, we have received numerous pieces of correspondence regarding an electric transmission line.

Nothing in the correspondence states where the line will go through our property or how it will impact us.

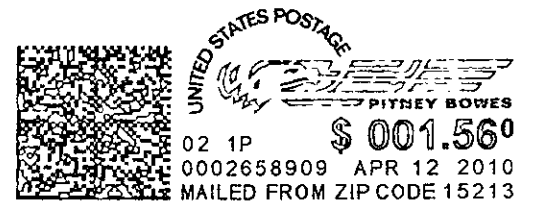

I would appreciate if someone would contact me to let me know what you plan to do and where the line would go.

I would prefer not to go to a public hearing and feel you should provide a bit more information. I will await to hear from someone.

Sincerely,

Robert E. Kelly, Jr.
