LIST OF CHANGES

Increases/Decreases

This tariff supplement provides rates for the Company's Coatesville Wastewater Operations.

All metered and unmetered charges have been increased for an overall increase of 197.37%. Service charges and volumetric charges for each bill class are increased.

The rate for Rider VR has been removed. The Company has complied with the terms of the Joint Petition for Settlement at Docket No. R-2008-2032689, which established the rate to be used until the terms of the settlement were met.

The Parkesburg bond payment has been satisfied. The customers of the Parkesburg Area Wastewater Service District no longer pay a debt service charge and there are no additional conveyance fees. As such, Section F on page 4F has been removed.

The Company is reducing the fee paid by private contractors to the Company to dispose of private residential septage and commercial waste at the Company's wastewater treatment plant.

The Company is adding a service charge discount of 65% for qualifying low income customers. This is shown on page 4F.
