**Philadelphia Gas Works'  
Preliminary Objections and  
Motion to Strike Impertinent Matter**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objections to the Complaint filed in the above captioned matter on the grounds that the Commission lacks jurisdiction over the subject matter of the Complaint, and that the Complaint includes impertinent matter in its requested relief to remove (or forbear collection of) the lien, and moves to strike the requested relief as “impertinent matter” pursuant to 52 Pa. Code §§5.101(a)(1) and (2).

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about July 14, 2009, the Complainant filed a formal complaint against PGW with the Commission under the above captioned matter, regarding unpaid debt for gas service to 4619 Newhall Street, Philadelphia, Pennsylvania (Subject Property).
2. The Complainant avers that the lien was placed after she filed a complaint with the Commission.
3. For the period June 2007 through October 2009, the Complainant owed \$920.02 for unpaid gas service to the Subject Property .
4. The City of Philadelphia, as owner of PGW, has filed a municipal lien upon the Subject Property for the unpaid debt for gas service to the Subject Property on the account of the Complainant, pursuant to the Municipal Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, et seq. (Municipal Lien

Act), Under the Municipal Lien Act, the City of Philadelphia as owner of PGW has the right to collect on municipal claims owed to PGW for gas service to a Service Address.

5. The Complaint requests relief in the form of a Commission order to PGW to not make the Complainant responsible for the outstanding unpaid balance for gas service rendered to the Subject Property and to do so by having the lien removed.

6. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

(1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.

52 Pa. Code §5.101(a) (2)<sup>1</sup>

7. Pursuant to the Natural Gas Choice and Competition Act, 66 Pa. C.S.A Section 2201 et seq., section 2212(n), which specifically provides, "Nothing contained in this title shall abrogate the power of a city natural gas distribution operation to collect delinquent receivables through the imposition of liens pursuant to section 3 of the act of May 16, 1923 (P.L. 207, No. 153), referred to as the Municipal Claim and Tax Lien Law, or otherwise." Thus, under

---

<sup>1</sup> 52 Pa. Code §5.101(a) (2) emphasis added.

66 Pa. C.S.A Section 2212(n), the Commission has no jurisdiction over the filing of such a lien.<sup>2</sup> *Nathaniel Lewis Mooney v. PGW*, Docket No. C-2009-2134673 (Final Decision and Order entered January 13, 2010)

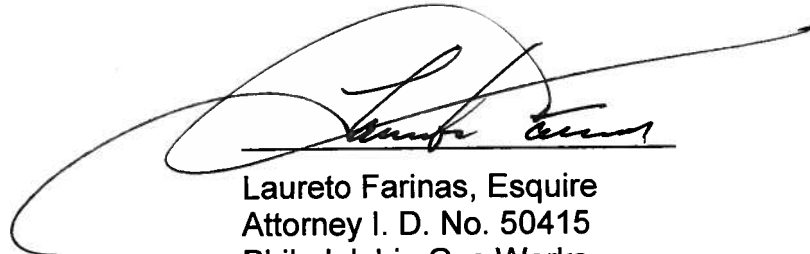

8. Pursuant to the Responsible Utility Customer Protection Act at 66 Pa. Cons. Stat. § 1414, which states: “[a] city natural gas distribution operation furnishing gas service to a property is entitled to impose or assess a municipal claim against the property and file as liens of record claims for unpaid natural gas distribution service and other related costs, including natural gas supply ....,” clarifies and confirms such rights to impose a lien.

9. The Complainant has made full payment of the \$920.02 debt owed to the gas company. The lien has been removed/marked satisfied from the Complainant’s Subject Property.

**Wherefore**, PGW respectfully requests that this Commission sustain PGW’s preliminary objections to the Complaint and dismiss the Complaint for lack of jurisdiction and strike off the requested relief as impertinent matter.

Respectfully submitted,
