**PETITION TO INTERVENE
OF CITIZENS FOR PENNSYLVANIA'S FUTURE**

By and through its undersigned counsel, Citizens for Pennsylvania's Future ("PennFuture") hereby files this Petition to Intervene pursuant to the Rules of Practice and Procedure of the Pennsylvania Public Utility Commission (the "Commission"), 52 Pa. Code §§ 5.41 and 5.71-5.75, and requests status as an Intervenor in the proceedings of the Commission in the matter captioned above.

PennFuture states the following in support of its Petition to Intervene:

1. PennFuture is a Pennsylvania nonprofit corporation with offices in Harrisburg, Philadelphia, West Chester, Wilkes-Barre, and Pittsburgh, Pennsylvania (www.pennfuture.org). PennFuture's principal business location is 610 North Third Street, Harrisburg, PA 17101, tel. (717) 214-7920. PennFuture engages in policy development, public education, litigation and other strategies to achieve its goals, including promoting clean sources of energy and protecting Pennsylvania's environment. PennFuture owns and uses offices at 610 North Third Street, which receives electric service from PPL Electric Utilities Corporation ("PPL Electric"). PennFuture also has members who live in the PPL Electric service territory, are customers of PPL Electric, and receive electrical service from PPL Electric.

2. The name and contact information of counsel for PennFuture is:

John K. Baillie, Esq.

3. PennFuture is directly and personally affected by this proceeding, which reasonably may be expected to affect the safety, reliability, cleanliness and affordability of its public utility service. PennFuture depends on electric distribution service from PPL Electric to meet basic necessities of its business operations and will suffer adverse financial consequences if service is not provided in a safe, reliable, clean, and affordable manner.

4. PennFuture has interests in, and perspectives on, issues in this proceeding that are not adequately represented by other parties of record.

5. As a ratepayer and member of the public, PennFuture has a right and interest in assuring that safe, reliable, clean and affordable public utility service, and participation in this proceeding is an appropriate way to protect these rights and interests.

6. PennFuture may intervene in this proceeding pursuant to 52 Pa. Code §§ 5.71-75.

7. Petitioners intend to review, analyze, present testimony, regarding whether the proposed tariffs and tariff charges are just and reasonable, and whether they provide for safe, reliable, clean, and/or affordable utility service. There issues include but are not limited to whether the proposed tariffs and tariff charges provide for cleaner and renewable energy, conservation, energy efficiency, and peak demand reduction.

8. PennFuture reserves the right to raise other and more specific issues as necessary and appropriate during the course of the proceeding and to respond to issues raised by other parties.

9. Under 52 Pa. Code §§ 5.53 and 5.74, petitions to intervene may be filed no later than the date fixed for filing protests as published in the Pennsylvania Bulletin. While Petitioners have not identified any such date published in the Pennsylvania Bulletin, this Petition is filed sufficiently in advance of the Prehearing Conference scheduled for May 26, 2010 to afford adequate notice to other participants, will not unfairly prejudice any other participant, and will not delay this proceeding.

WHEREFORE, PennFuture respectfully requests that the Commission grant its Petition and confer status on it as an Intervenor in this proceeding.

Respectfully submitted,

/s/
