Dear Ms. Chiavetta:

In the above referenced complaint docket, an order was entered on April 22, 1996. In this order, paragraph 10 stated "upon completion of the repairs to the bridge a further hearing will be held to determine the allocation of the costs incurred by the Pennsylvania Department of Transportation..."

Please be advised that the Department is not seeking reimbursement for work performed under this order. Due to this, we respectfully suggest that a hearing will not be necessary.

If you have questions or comments, please call Sonny Bocchinfuso at 610-205-6532.

Sincerely,

A handwritten signature in black ink that reads "Maryann Lang".
