Transmission Line Construction

PPL Electric Utilities Corp. (PPL Electric) plans to construct an approximate 1,700-foot 138/69 kV double-circuit transmission tap line to serve a new 69-12 kV substation. The proposed tap line will connect an existing transmission line with the substation. The project is located along Quarry Road in Lower Macungie Township, Lehigh County.

This project is required to meet the increasing demand for electricity and improve service reliability to customers in this section of Lehigh County.

If you would like more information about this project, please contact Kathy Frazier at 610-774-3372.

On February 25, 2010, PPL Electric filed a Letter of Notification with the Pennsylvania Public Utility Commission (PUC), which must approve the transmission line before construction of the line can begin. A copy of this Letter of Notification is available for public inspection on weekdays during business hours at:

Lower Macungie Township Municipal Building
3450 Brookside Road
Macungie, PA 18062-1427

If you wish to participate in the process before the PUC, you should contact within 15 days:

James J. McNulty, Esquire
Secretary
Pennsylvania Public Utility Commission
P.O. Box 3265
Harrisburg, PA 17105-3265

As a reference aid, be sure to include the project's "docket number," which is A-2010-2161788.
