**RE: Cheryl Perlberg v PPL Electric Utilities Corporation  
Docket No. F-2010-2171554**

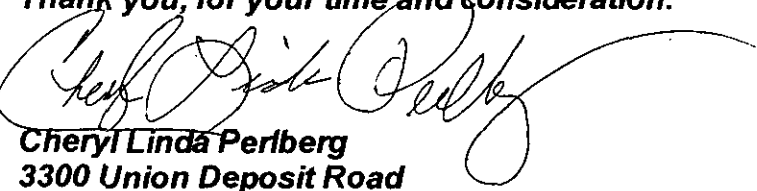

**Dear Ms. Chiavetta:**

***I have received letters from the attorneys concerning my case and I have also spoken to a representative from PPL and I explained to her that at the time of the conversation I wasn't sure that I could agree with the agreement that she suggested and that I had to think about the offer.***

***On May 17, 2010, I spoke with Ms. Vero and explained to her how I felt and she understood how I was feeling and that I needed to contact you and tell you that I want the formal complaint pending, to be withdrawn. The certificate of satisfaction also to be withdrawn.***

***I also understand that since I am 100 percent disabled that a conference call can be done. I am also asking that the conference call be done when my son is also home with me. He is a senior and graduating this year so if the call could be done after 4:00 o'clock in the afternoon when he is home I would most definitely appreciate it.***

**Thank you, for your time and consideration.**
