Re: Supplement No. 96 to Tariff Gas – PA PUC No. 2 effective June 1, 2010  
Updating CAP discount factors to reflect the effects of  
PGC No. 26, filed in compliance with Docket No. R-2008-2028394

Dear Secretary McNulty:

Pursuant to Commission Order at Docket No. R-2008-2028394 entered October 29, 2008, PECO Energy Company is herewith filing eight copies of Supplement No. 96 to Tariff Gas – PA PUC No. 2, bearing an effective date of March 1, 2010, in compliance with the above Order.

The specific purposes of the filing are as follows:

- (1) The new gas Customer Assistance Program (CAP) approved at Docket No. R-2008-2028394, effective June 1, 2010, requires that the discount factors be changed in the event the Company's PGC rate changes. Since the Company's PGC No. 26 rate changed effective June 1, 2010, it is necessary to adjust the CAP discount factors, which will become effective June 1, 2010.

Also enclosed is Attachment A that provides the calculation of the new CAP discount factors.

Please date-stamp the enclosed extra copy of this letter as proof of filing and return it in the envelope provided.

If you have any questions, please do not hesitate to call me.

Sincerely,

cc: Certificate of Service  
Commissioner James H. Cawley, Chairman  
Commissioner Tyrone J. Christy, Vice Chairman  
Commissioner Wayne E. Gardner

Such data may come from a customer's participation in, or receipt of benefits from, the Low Income Home Energy Assistance Program, Aid to Families with Dependent Children, Food Stamps, Supplemental Security Income, and Medicaid. Information available from the Pa. Department of Revenue may also be used where appropriate to expedite the process.
