Docket No. C – 2010 – 2172638

New Matter

This is in response to the "Answer of Philadelphia Gas Works (Docket No. C – 2010 – 2172638)".

1. To the extent that my diagnosis of Leukemia has any bearing on this matter, I hereby give Philadelphia Gas Works and the Pennsylvania Utility Commission permission to review the medial records that will substantiate this diagnosis.
2. To the extent that this is essential information in this matter; all of the CRP payments (\$110.70) are current and paid in person to the PGW site at 11th and Chestnut Street in Philadelphia. The past due amount was incurred during the period of my intense medical care which is easily verifiable.
3. To the best of my knowledge, I was never offered a repayment plan during the period when I was caring for my health. Since the period of incapacity was approximately two years, I am requesting that the past due amount of \$1,330.70 (the amount stated in my most recent PGW statement) be repaid over a 24 month period – an amount of \$55.50 – to be paid in addition to my current CRP payment of **\$110.70 for a total of \$162.20.** .

Respectfully submitted,
