AMENDMENT TO FORMAL COMPLAINT AGAINST PPL

Re: Joel Fremonde – Account No. 33170-07072

Commissioners:

After mailing to you a formal complaint on May 21, 2010 against PPL I have since discovered that after I opened a new account in Lehigh County at my current address, PPL not only accessed to the new account monies due from a Northampton County 2007 closed account and used 2009-10 LIHEAP grant monies issued for new Lehigh County account to pay off \$53.43 due on the 2007 Northampton County closed account and at the same time reported me to local credit bureaus and the three national credit bureaus. The objective being to get paid illegally from LIHEAP grant money and destroy my credit rating at the same time then have your agency back them up on the fraudulent pretext that what they did is legal because PPL's own regulation have declared it so but without federal authorization.

I now have no choice but to sue PPL in federal district court for fraud upon my personage when it accessed the \$53.43 to the new account and then reported me to the credit bureau While deducting such monies from LIHEAP grant and thus perpetrating a fraud upon the United States government. The utility monopoly's objective is always to f--- the little guy. The remedy is a federal Title 42 USCA Section 1983 action. Fraud against my personage and the U.S. government notwithstanding.

Very truly,

Joel Fremonde
