C-2010-2156844

To whom it may concern,

I am sending this reply requesting that these actions be rescinded for the following. Upon receiving the certified letter on April 22, 2010 this was my first knowledge of this action. I spoke with Robert Bingaman in a phone conversation explaining that I have been going through a divorce and was not at the residence to receive any mail. Mr. Bingaman advised me to send him a short e-mail to explain for the delay and that he would take care of dismissing all charges and fines. I am inclosing a copy of the e-mail that was sent out April 26, 2010. I'm concerned if the e-mail was not received or followed through. Please advise of any further correspondence or if this matter is resolved.
