COMMONWEALTH OF PENNSYLVANIA :

COUNTY OF CLEARFIELD :

On this 7<sup>th</sup> day of July, 2010, before me, a Notary Public, personally appeared Arthur Beatty Jr., known to me, who upon being duly sworn according to law did depose and say:

Notice of a rate increase was mailed to all Total Environmental Solutions, Inc. ("TESI" or "Company") Treasure Lake Sewer Division customers by me on behalf of the Company on July 1, 2010.

Notice of a rate increase has been posted in the Company's offices at DuBois, PA.

Notice of a rate increase for the Company was delivered by me on behalf of the Company to the local newspaper, the Courier Express, for publication in the July 1, 2010 edition. Notice also was delivered to the local radio and television stations.

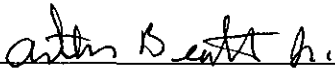

The news release is as follows:

Total Environmental Solutions, Inc. ("TESI" or "Company") Treasure Lake Sewer Division has filed a request with the Pennsylvania Public Utility Commission to increase sewer rates as of August 29, 2010. TESI has petitioned the Public Utility Commission to allow an overall rate increase of \$268,150 per year (an increase of approximately 25.6% over current base rates) based upon a ratemaking test year ending December 31, 2010. Since all active sewer use customers are also charged a monthly surcharge to repay a PennVest loan, which surcharge is not being changed, the proposed overall rate increase is 21.9%. The proposed rate increases for metered customers is greater than the average since rate decreases are being proposed for availability customers. The Company was last granted an increase in sewer rates effective July 30, 2008. A copy of the filing is available for inspection at the Company's office.

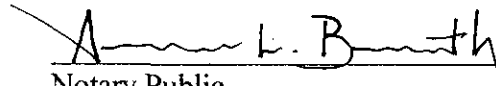

The Company's increase in rates is necessary in order to allow TESI to realize a reasonable rate of return on the Company's investment and to recover increased operating expenses.

Customers can contact TESI at 814-375-1777 to get further information on the proposed increase or to find out what actions they may take.
