Dear Sirs:

This letter is in reference to the unwarranted proposed sewer rate increase with Total Environmental Solutions, Inc. 906 Beaver Dr. Du Bois, PA 15801

I am a senior citizen on a fixed income and the increase would be \$177.00 more per year. That amount is staggering to me. T&E-I is not even part of Treasure Lake community. The city of Du Bois benefits financially because their offices are located there.

I talked to T&E-I today and they said there has been no major work done to pipes or lines, just routine maintenance. Then why the proposed increase?

Please stop this outrageous and unjustified increase.

Sincerely,

Betty Ann Conners
