Re: Application of Stream Energy Pennsylvania, LLC d/b/a Stream Energy for an
EGS License; Docket No. A-2010-2181867

Dear Secretary Chiavetta:

On behalf of Stream Energy Pennsylvania, LLC (“Stream Pennsylvania”), please be advised that we have provided directly to Fixed Utility Services (“FUS”) staff this morning the “Confidential “and Proprietary” balance sheet and income statements for 2008 (audited) and 2009 (unaudited) for Stream Pennsylvania’s parent company, as requested by FUS staff.

As a privately held company in a very competitive industry, the parent company strictly limits access to its financial information and understands and appreciates that the Commission and its staff are committed to maintaining this strict confidentiality.

If you have any questions or require additional information, please feel free to contact me at your convenience.

Very truly yours,

Kevin J. Moody
