Re: Neil Stein v. PECO Energy Co/

Dear Ms Chiavetta:

I am responding to your letter of July 16, 2010 addressed to "whom it may concern." Since I am the Plaintiff in the above-referenced matter, I assume that I am one of those "concerned."

I can appreciate the Commission's desire to clear its dockets of cases, however the closing of the matter by the Commission is without my consent or approval. At the hearing before the Administrative Judge, a settlement was placed upon the record. The agreement contained conditions that had to be performed. Defendant, PECO Energy Co., has not yet performed.

If you can confirm to me, in writing, that I have the right to re-open the matter for purposes of enforcement, then I will waive any objection to the closing of the matter.

Thank you for your anticipated cooperation, and please note a change in address as set forth at the bottom of this letter.

Very truly yours,

NHS*jd
