**PETITION TO INTERVENE OF  
EXELON GENERATION COMPANY, LLC**

Exelon Generation Company, LLC (“Exelon”) by its undersigned counsel, hereby files this Petition to Intervene in the above-captioned proceeding pursuant to 52 Pa. Code §§ 5.71 *et seq.* In support of the petition Exelon states:

1. On or about May 18, 2010, PPL Electric Utilities Corporation (“PPL”) filed a Petition seeking Commission approval to modify its Default Service Procurement Plan (“Plan”), previously approved by the Commission on June 30, 2009, to authorize a revised procedure for the prospective acquisition of solar Tier I alternative energy credits (“SRECs”).

2. Exelon is represented in the above-captioned matter by the following counsel and all correspondence should be directed to them at the following addresses:

Noel Trask, Esquire  
Lead Counsel, Exelon Power Team  
Exelon Generation Company, LLC  
300 Exelon Way  
Kennett Square, PA 19348  
(610) 765-6649

and

Mark J. Packel, Esquire  
Assistant General Counsel  
Exelon Power Team  
Exelon Generation Company, LLC

Kennett Square, PA 19348  
(610) 765-6735  
[mark.packel@exeloncorp.com](mailto:mark.packel@exeloncorp.com)

3. Exelon is a wholly-owned subsidiary of Exelon Corporation. Exelon owns or controls approximately 31,000 MW of generating facilities and electricity across the nation.

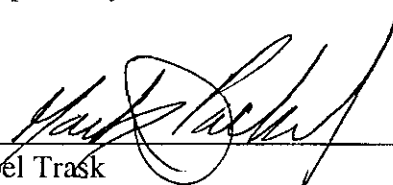

4. As a potential supplier of SRECs to PPL, Exelon has a direct and substantial interest in this proceeding that cannot adequately be represented by another party.

5. Exelon is still formulating its position on the proposed modifications to the Plan, and associated documents, including, without limitation, the proposed PPL Solar Renewable Energy Credit Supply Master Agreement (“SMA”) and proposed Request for Proposals Process and Rules (collectively, “RFP”). Exelon believes that the RFP and SMA lack clarity of language, creating uncertainty for potential suppliers of SRECs with respect to their rights and obligations. Exelon believes that this lack of certainty: directly impact an entity’s ability to compete in PPL’s procurement of SRECs; creates a situation which does not promote competitive markets: and contributes to a lack of transparency in the procurement process. . Exelon reserves the right to expand upon the issues set forth above and to raise additional issues, as warranted, during the course of this proceeding.

6. Exelon submits therefore that its intervention in this case satisfies the requirements of 52 Pa. Code § 5.72(a) and that its participation in this proceeding is otherwise in the public interest.

**WHEREFORE**, Exelon respectfully requests that its Petition to Intervene be granted and that it be accorded full party status in the above-captioned proceeding.

Respectfully submitted,

Noel Trask
