FOURTH STATUS REPORT

Norfolk Southern Railway Company (“Norfolk Southern”), by and through its attorneys, Nauman, Smith, Shissler & Hall, LLP, hereby files this Fourth Status Report, pursuant to the requirements of Ordering Paragraphs 3 and 4 of the Procedural Order dated December 4, 2009, in the above-referenced matter.

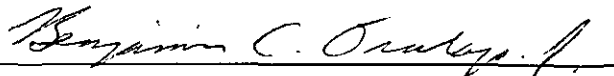

The settlement between Norfolk Southern and the City of Bethlehem (“City”) referenced in the Third Status Report unfortunately took longer to finalize than was anticipated at the time the Third Status Report was filed. A disagreement arose over one of the terms, which has since been resolved. Therefore, the settlement terms agreed upon will now be submitted to Norfolk Southern upper management for final approval. As previously stated, that process generally takes four to six weeks.

During that time period, Assistant City Solicitor Joseph Kelly has informed the undersigned that he would continue to negotiate with the other municipal parties regarding additional settlement terms. He also stated that the City would continue to develop its plans for bridge mitigation measures for review by the Pennsylvania Department of Transportation and the Department of Conservation and Natural Resources.

During this time frame, the undersigned will begin work on a Stipulation of Settlement among the parties. Hopefully, substantial progress will have been made to finalize this matter by the due date of the next status report on November 1, 2010.

Respectfully submitted,
NAUMAN, SMITH, SHISSLER & HALL, LLP
