**Re: Avishai Greis v. PGW, Docket No. C-2010-2195696**

Dear Secretary Chiavetta,

I received a letter dated September 16, 2010 from PGW containing its Answer to Complaint and, also, Preliminary Objections and a Motion to Strike. Since then I have contacted an attorney to represent me in this case and asked him to call PGW to explore the possibility of settlement, which he has done. It is my understanding that they have scheduled a follow up call to review the case and possible resolution.

In light of the circumstances, I respectfully request a modest extension of time of one week to respond to the Preliminary Objections and Motion to Strike. Counsel for PGW has no objection to the same.

Thank you for your courtesy.

Respectfully submitted,

Avishai Greis
