Re: NRGing, LLC d/b/a NetGain Energy Advisors

Reston, Virginia 20190

Dear Sir / Madam:

It is our pleasure to offer this letter of reference and good standing on behalf of our client NRGing, LLC. Although NRGing, LLC is a relatively new Company, we have worked with the principals, Peter Callowhill and James Larsen since the Bank's initial opening in 2007. When NRGing was in the formative stages, Peter and James met with us and told us about their new plans. The Bank was excited for them and totally supported the new venture. We established a working capital line of credit for the new Company and NRGing opened the operating depository account with the Bank.

Working with Peter and James over the past few years has given me the opportunity to learn and appreciate their commitment to excellence and high level of character. If you are fortunate enough to have the opportunity to work with them, we suggest you take it. These gentlemen have always done what they said they do, they are always responsive to inquiries and requests and they make things happen.

Feel free to contact my office direct at 703-436-3806 if we can be of further assistance.

Sincerely

B. Todd Dempsey Senior Vice President and Chief Lending Officer

IMPORTANT NOTICE

THIS INSTRUMENT CONTAINS A CONFESSION OF JUDGMENT PROVISION WHICH CONSTITUTES A WAIVER OF IMPORTANT RIGHTS YOU MAY HAVE AS A DEBTOR AND ALLOWS THE CREDITOR TO OBTAIN A JUDGMENT AGAINST YOU WITHOUT ANY FURTHER NOTICE.

Principal Amount: \$50,000.00

PROMISE TO PAY. NRGing, LLC ("Borrower") promises to pay to First Virginia Community Bank ("Lender"), or order, in lawful money of the United States of America, the principal amount of Fifty Thousand & 00/100 Dollars (\$50,000.00) or so much as may be outstanding. together with interest on the unpaid outstanding principal balance of each advance. Interest shall be calculated from the date of each advance until repayment of each advance.

PAYMENT. Borrower will pay this loan in one payment of all outstanding principal plus all accrued unpaid interest on March 30, 2011. In addition, Borrower will pay regular monthly payments of all accrued unpaid interest due as of each payment date, beginning July 23, 2010, with all subsequent interest payments to be due on the same day of each month after that. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; then to any late charges; and then to any unpaid collection costs. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the Prime Rate as published in the "Money Rates" section of the Wall Street Journal (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notifying Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each Day. Borrower understands that Lender may make loans based on other rates as well. The Index currently is 3.250% per annum. Interest on the unpaid principal balance of this Note will be calculated as described in the "INTEREST CALCULATION METHOD" paragraph using a rate of 1.000 percentage point over the Index, rounded up to the nearest 0.125 percent, adjusted if necessary for any minimum and maximum rate limitations described below, resulting in an initial rate of 5.000% per annum based on a year of 360 days. NOTICE: Under no circumstances will the interest rate on this Note be less than 5.000% per annum or more than the maximum rate allowed by applicable law.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method.

PREPAYMENT. Borrower agrees that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. Except for the foregoing, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: First Virginia Community Bank, 11325 Random Hills Road Fairfax, VA 22030.

LATE CHARGE. If a payment is 7 days or more late, Borrower will be charged 5.000% of the unpaid portion of the regularly scheduled payment.

INTEREST AFTER DEFAULT. Upon default, including fallure to pay upon final maturity, the interest rate on this Note shall be increased by adding an additional 4.000 percentage point margin ("Default Rate Margin"). The Default Rate Margin shall also apply to each succeeding interest rate change that would have applied had there been no default. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note-or-the-related-documents-is-false-or-misleading-in-any-material-respect; either-now-or at-the-time made-or-furnished-or-becomes-falseor misleading at any time thereafter.

Death or Insolvency. The dissolution or termination of Sorrower's existence as a going business or the death of any member, or a trustee or receiver is appointed for Borrower or for all or a substantial portion of the assets of Borrower, or Borrower makes a general assignment for the benefit of Borrower's creditors, or Borrower files for bankruptcy, or an involuntary bankruptcy petition is filed against Borrower and such involuntary petition remains undismissed for sixty (60) days.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help,

repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

insecurity. Lender in good faith believes itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest, together with all other applicable fees, costs and charges, if any, immediately due and payable, and then Borrower will pay that amount.

ATTORNEYS' FEES: EXPENSES. Subject to any limits under applicable law, upon default, Borrower agrees to pay Lender's attorneys' fees equal to 20.000% of the principal balance due on the loan and all of Lender's other collection expenses, whether or not there is a lawsuit, including without limitation legal expenses for bankruptcy proceedings.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the Commonwealth of Virginia without regard to its conflicts of law provisions. This Note has been accepted by Lender in the Commonwealth of Virginia.

CHOICE OF VENUE. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the applicable courts for Fairfax County, Commonwealth of Virginia.

CONFESSION OF JUDGMENT. Upon a default in payment of this Note at maturity, whether by acceleration or otherwise, Borrower hereby irrevocably authorizes and empowers Neil Title or B. Todd Dempsey as Borrower's attorney-in-fact to appear in the Fairfax County or Arlington County clerk's office and to confess judgment against Borrower for the unpaid amount of this Note as evidenced by an affidavit signed by an officer of Lender setting forth the amount then due, attorneys' fees plus costs of suit, and to release all errors, and waive all rights of appeal. If a copy of this Note, verified by an affidavit, shall have been filed in the proceeding, it will not be necessary to file the original as a warrant of attorney. Borrower waives the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect.
