

Case docket #

C-2010-2180173

I originally filed an informal complaint with the PUC and as a result of that it turned into a formal complaint under the above docket number.

I was under the impression that the letter I signed was part of a standard process for the informal complaint. I would like to withdraw the formal complaint at this time and receive confirmation that the case has been closed. I also would like for you to notify Duguesne Light Company of this as well.

If you have any further questions please contact me @ 412-292-2214.
