RE: PPL Electric Utilities Corporation – Universal Service and Energy
Conservation Plan for 2011 through 2013
Docket No. M-2010-2179796

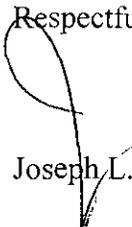

Dear Secretary McNulty:

Enclosed for filing please find an original and three (3) copies of Petition to Intervene on behalf of the Commission on Economic Opportunity in the above-referenced proceeding. I would ask that you provide me with a time-stamped copy of the Petition in the self-addressed, stamped envelope enclosed.

By copy of this correspondence, copies of the enclosed are being served on the parties of record as shown on the attached Certificate of Service.

If you need anything further from me, please do not hesitate to contact me.

Respectfully yours,

Joseph L. Vullo

PPL Electric Utilities Corporation :
Universal Service and Energy Conservation : M-2010-2179796
Plan for 2011 through 2013 :

PETITION TO INTERVENE

NOW COMES, the Commission on Economic Opportunity (CEO), by and through counsel, Joseph L. Vullo, Esquire, and petitions to intervene in the above-captioned matter averring as follows:

1. The Petitioner, Commission on Economic Opportunity, is a not-for-profit corporation organized and existing under the laws of the Commonwealth of Pennsylvania with its principal office located at 165 Amber Lane, P.O. Box 1127, Wilkes-Barre, Luzerne County, Pennsylvania, 18703-1127. CEO's telephone number is (570) 826-0510.

2. CEO is an advocate for its clients - the low income population of Luzerne County - and has been directly involved in assuring that low income persons' utility costs are contained through counseling, advice, payment assistance and energy conservation measures.

3. CEO seeks permission to intervene in PPL Electric Utilities Corporation's Universal Service and Energy Conservation Plan for 2011 through 2013 filed with the Commission.

4. PPL Electric Utilities Corporation serves customers in numerous counties including Luzerne County.

5. CEO is presently involved in a pilot program with PPL whereby PPL will weatherize a number of homes of its low income customers and CEO will install real time energy usage devices

in the homes. The purpose of the pilot program, which is made possible through funding received from the United States Department of Energy, is to determine whether the use of real time energy usage devices will increase the energy savings derived from the installation of weatherization measures versus the energy savings in homes where those devices are not installed after weatherization measures are provided.

6. The sole purpose of CEO intervening in this proceeding is to work in conjunction with the Company and its Universal Service Plan in an effort to provide possible incentives to customers to participate in the pilot program and/or to develop other procedures and measures relative to the pilot program in an effort to maximize participation in and the benefits of the pilot program.

WHEREFORE, the Commission on Economic Opportunity respectfully requests that the Commission:

1. Receive for filing and docket this Petition to Intervene in order that CEO be a party to such proceedings and be placed on all service lists.

2. Grant to CEO active party status with the right to participate in all proceedings relative to this matter.

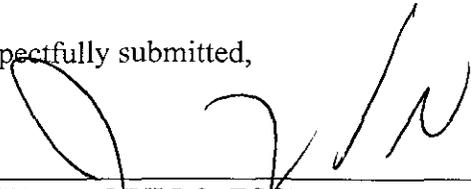

3. Order that the following individual be designated as CEO's recipient for service:

Joseph L. Vullo, Esquire
1460 Wyoming Avenue
Forty Fort, PA 18704
Phone: (570) 288-6441
Fax: (570) 288-4598
e-mail: jlvullo@aol.com

4. Order that each party to the proceedings provide CEO's designated recipient with copies of all papers filed.

5. Grant such other relief as the Commission may deem necessary and proper.

Respectfully submitted,

JOSEPH L. VULLO, ESQUIRE
Burke Vullo Reilly Roberts
