Dear Sir or Madam,

I am writing this letter to file a formal complaint against Total Environmental Solutions, Inc. Treasure Lake Water Division. I had received a letter stating that my water bill per month would increase from approx \$27.76 to \$42.44 which is a 42.56% a year and sewer would increase from approx. \$14.30 to \$32.66 which is 128.4% a year based on a residential customer using 3500 gallons a month and this is what my family uses.

This is a giant rate increase and would double my monthly water and sewer bill and with the way the economy is now we cannot afford it. I have two small children and a part-time job with a fixed budget. We are not alone here in Treasure Lake which has 2,200 residential homes and all would be affected. Please take the time to hear my complaint and reconsider all the options when TESI proposes their rate hikes.

Thank You
