**SECTION 6.0 – PENNSYLVANIA TELECOMMUNICATIONS RELAY SERVICE**

**6.1 General**

The Pennsylvania Telecommunications Relay Service (PA TRS) is a relay telecommunications service for the deaf, hearing and/or speech disabled population of the Commonwealth. The service permits telephone communication between individuals with hearing and/or speech disabilities who must use a Text Telephone and individuals with normal hearing and speech as provided in the tariff filed by AT&T Communications of Pennsylvania, Inc. Tariff PA PUC #24.

**6.2 Surcharge**

In addition to the charges provided in this tariff and the Company's other intrastate tariffs, a surcharge will apply to all residence and business access lines served by this Company. This surcharge applies regardless of whether or not the access line uses the Pennsylvania Telecommunications Relay Service.

This surcharge serves as the funding vehicle for the operation of the Pennsylvania Telecommunications Relay Service, and shall be calculated by the Pennsylvania Public Utility Commission (the Commission). The Commission shall compute the Pennsylvania Relay Service Surcharge each year and notify local exchange carriers of the surcharge amount to be applied for the twelve-month period commencing with July 1, of each year.

The Commission may revise the surcharge more frequently than annually at its discretion. Tariff revisions will be filed whenever the Commission calculates a new surcharge amount and notifies the Company.

The following surcharge rates apply to all bills issued on or after July 1, 2008:

	<u>Monthly Rate</u>
Per residence access line per month	\$0.08
Per business access line per month	\$0.08

Centrex lines will be charged on an equivalency basis as determined by the Commission.

**6.3 Rates**

Local calls will be charged at the applicable local flat rate or local measured service rate, except for calls originating from Pay Telephones, which shall be completed free of charge.

The rates for either option will not exceed those that would apply to identical calls for non-TRS users of coin-sent-paid service.
