C-2010-2168953  
Gurrier v. PUC Energy Company

Dear Judge Jones,

I respectfully withdraw my complaint with PUC and  
the PUC as I am in a very much downward  
spiral emotionally and it really doesn't matter  
anymore about anything. I seem to only draw  
negativity and burdenness in every aspect of  
my life and I just really don't care anymore  
what happens because, someday it will all  
go away.

I'm sorry this letter is so late in the process  
another time in my life I would have  
fought but not now. If you do continue  
to review this case and I was correct please  
donate my funds to Horizon House at  
30th & Chestnut Streets here in Philadelphia  
in care of Dr. Lawrence Rial.  
I wish I wish I would just go away.

Thank you.

Jackie Gurrier
