

Rosemary Chiavetta, Secretary
Public Utility Commission
Commonwealth Keystone Building
400 North St. 2nd floor
Harrisburg PA 17102

Dear Secretary Chaivetta

This is in response to Met-Ed's counsel letter for Docket C-2010-2206160, dated 11/12/10.

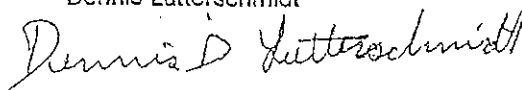

Upon further review of Met-Ed's counsel answer and act 66, I stand by my complaint that the

General Assembly does not require Smart Meters installed in existing-customers property.

How-

ever I have misdirected this complaint. My complaint is with the Public Utility Commission, Not Met-Ed. The Public Utility Commission has allowed Met-Ed to include existing customers with new customers in regard to the Smart Meter. I must resubmit my complaint against The Public Utility Commission.

Respectfully submitted,
Dennis Lutterschmidt
