Re: Supplement No. 98 to Tariff Gas – PA PUC No. 2 effective June 1, 2010
Updating CAP discount factors to reflect the effects of
PGC No. 27, filed in compliance with Docket No. R-2008-2028394

Dear Secretary McNulty:

Pursuant to Commission Order at Docket No. R-2008-2028394 entered October 29, 2008, PECO Energy Company is herewith filing eight copies of Supplement No. 98 to Tariff Gas – PA PUC No. 2, bearing an effective date of December 1, 2010, in compliance with the above Order.

The specific purposes of the filing are as follows:

- (1) The new gas Customer Assistance Program (CAP) approved at Docket No. R-2008-2028394, effective December 1, 2010, requires that the discount factors be changed in the event the Company's PGC rate changes. Since the Company's PGC No. 27 rate changed effective December 1, 2010, it is necessary to adjust the CAP discount factors, which will become effective December 1, 2010.

Also enclosed is Attachment A that provides the calculation of the new CAP discount factors.

Please date-stamp the enclosed extra copy of this letter as proof of filing and return it in the envelope provided.

If you have any questions, please do not hesitate to call me.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta", written over a horizontal line.

Such data may come from a customer's participation in, or receipt of benefits from, the Low Income Home Energy Assistance Program, Aid to Families with Dependent Children, Food Stamps, Supplemental Security Income, and Medicaid. Information available from the Pa. Department of Revenue may also be used where appropriate to expedite the process.

MINIMUM CHARGE. The minimum charge per month will be \$25, or if the customer can demonstrate exclusive non-house heating use the minimum charge will be \$10.
