RE: PECO ENERGY COMPANY
PUC DOCKET NO. C-2010-2207020

RESPONSE TO PRELIMINARY OBJECTIONS:

Peco denies that there were any incorrect charges, I was informed by Peco Representative by the name of Cheryl who informed me on October 13, 2010 about my new budget billing is a \$150.00 dollars. At that time I mentioned there has been no change in my income; why did my budget billing go up. I was told by Peco Representative Cheryl that Charles Mack income is on my financial statement and his income was calculated into my income. In this conversation I told the Representative Cheryl, I been informed Peco that my son no longer reside with me and can she remove him. I was told that she will remove him right now. Charles is my son who does not resides with me. I would like for the tapes to be pulled and played regarding this conversation because it was taped and monitor.

Peco mentions that my budget amount was \$60.00 dollars, That was for one month then to be changed to \$77.00 dollars then to be changed again to \$150.00 dollars based on incorrect information that should have been taken out of there data base. Peco responsive also said that ever four months my account is reviewed; my budget billing was \$60.00 dollars for one month.

Sincerely,

Lesette Bartell
