PUBLIC STATEMENT OF THE OFFICE OF CONSUMER ADVOCATE
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. § 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to file an Intervention and participate in proceedings before the Commission involving the Petition of PECO Energy Company (PECO) for approval to procure Tier II Alternative Energy Credits (AECs) and additional Tier I and solar AECs.

On November 17, 2010, PECO filed a Petition requesting that the Commission approve the following: (1) an annual procurement of supplemental AECs to meet the Alternative Energy Portfolio Standards Act (AEPS) requirements for the portion of PECO's residential load served by PECO through block energy contracts (PECO Share) and to replace any AECs not delivered through PECO's previously approved full requirements default service AEC procurements; (2) an initial procurement of Tier II AECs to satisfy PECO's anticipated Tier II AEPS requirements and for the portion of PECO's industrial customer default service load that will be served on a contingency basis; (3) a second procurement to satisfy PECO's anticipated Tier II APES requirement for the PECO Share; and (4) the purchase of any additional AECs that PECO may require for AEPS compliance and the sale of any excess AECs that PECO may possess through independent, third-party auctions and brokers experienced in the purchase and sale of AECs.

The Consumer Advocate has determined to participate in this proceeding to protect the interests of ratepayers. Since the costs of the alternative energy resources will be recovered from ratepayers, the Consumer Advocate will seek to ensure that the processes for

procurement are reasonable, that any rate recovery mechanism is reasonable, and that any resulting rates are just and reasonable.
