Docket No. C – 2010 – 2213955

**Philadelphia Gas Works'
Preliminary Objections and
Motion to Strike Impertinent Matter**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objections to the Complaint filed in the above captioned matter on the grounds that the Commission lacks jurisdiction over the subject matter of the Complaint, and that the Complaint includes impertinent matter in its requested relief to remove (or forbear collection of) the lien, and moves to strike the requested relief as “impertinent matter” pursuant to 52 Pa. Code §§5.101(a)(1) and (2).

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about December 6, 2010, the Complainant filed a formal complaint against PGW with the Commission under the above captioned matter, regarding unpaid debt for gas service to 312 Ridgeway Place, Philadelphia, Pennsylvania (Subject Property).
2. The Complainant avers that he was never made aware that he owed a balance or that a lien was filed against the property for the unpaid gas service.
3. For the period July 2006 through June 2007, the Complainant’s owed \$1,758.48 for unpaid gas service to the Subject Property.
4. The City of Philadelphia, as owner of PGW, has filed a municipal lien upon the Subject Property for the unpaid debt for gas service to the Subject Property on the account of the Complainant’s tenant, pursuant to the Municipal

Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, et seq. (Municipal Lien Act), Under the Municipal Lien Act, the City of Philadelphia as owner of PGW has the right to collect on municipal claims owed to PGW for gas service to a Service Address.

5. The Complaint requests relief in the form of a Commission order to PGW to remove the lien against the Subject Property.

6. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

(1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.

52 Pa. Code §5.101(a) (2)¹

7. In this case, the Complaint states that he was never made aware that he owed a balance to PGW. The Complainant opines that under circumstances, the lien should be removed.

8. Pursuant to the Natural Gas Choice and Competition Act, 66 Pa. C.S.A Section 2201 et seq., section 2212(n), which specifically provides, "Nothing contained in this title shall abrogate the power of a city natural gas distribution operation to collect delinquent receivables through the imposition of

¹ 52 Pa. Code §5.101(a) (2) emphasis added.

liens pursuant to section 3 of the act of May 16, 1923 (P.L. 207, No. 153), referred to as the Municipal Claim and Tax Lien Law, or otherwise.” Thus, under 66 Pa. C.S.A Section 2212(n), the Commission has no jurisdiction over the filing of such a lien.² *Nathaniel Lewis Mooney v. PGW*, Docket No. C-2009-2134673 (Final Decision and Order entered January 13, 2010)

9. Pursuant to the Responsible Utility Customer Protection Act at 66 Pa. Cons. Stat. § 1414, which states: “[a] city natural gas distribution operation furnishing gas service to a property is entitled to impose or assess a municipal claim against the property and file as liens of record claims for unpaid natural gas distribution service and other related costs, including natural gas supply ...,” clarifies and confirms such rights to impose a lien.

10. The Complainant disputes the imposition of the lien because he was not made aware that he owed a balance.

11. The nature of a lien is such that it encumbers the real estate, regardless who caused the event, which results in the imposition of a municipal claim. PGW may collect as a municipal claim, unpaid debt for gas service rendered, even when the gas service was not rendered to the owner of the property. *Newberry Township v. Ray Stambaugh*, 848 A.2d 173; (Pa. Cmwlth. 2000)

12. A prayer for relief, which is beyond the Commissions authorization, is not recoverable in the cause of action before this Commission. It is irrelevant to the instant cause of action and therefore “impertinent matter” within the use and meaning of 52 Pa. Code §5.101(a) (2) and, should be stricken from the Complaint pursuant to Pa. Code §5.101(a)(2).

² 52 Pa. Code §5.101(a) (1)

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objections to the Complaint and dismiss the Complaint for lack of jurisdiction and strike off the requested relief as impertinent matter.

Respectfully submitted,
