Public Notice
Transmission Line Construction

PPL Electric Utilities Corp. (PPL Electric) plans to construct an approximate 150-foot 138 kV double-circuit transmission tap line to serve a new 138-12 kV substation. The proposed tap line will connect an existing PPL Electric transmission line with the substation. The project will be constructed entirely on property owned by PPL Electric located near the intersection of Delps and Mink roads in Moore Township, Northampton County.

This project is required to meet the increasing demand for electricity and improve service reliability to PPL Electric customers in the Moore Township area.

If you would like more information about this project, please contact Kathy Frazier at 610-774-3372.

On September 21, 2010, PPL Electric filed a Letter of Notification with the Pennsylvania Public Utility Commission (PUC), which must approve the transmission line before construction of the line can begin. A copy of this Letter of Notification is available for public inspection on weekdays during business hours at the following locations:

Moore Township Municipal Building 2491 Community Drive Bath, PA 18014	PPL's Lehigh Service Center 827 Hausman Road Allentown, PA 18104-9392
