Re: Theodore and Denise Wing v. Philadelphia Gas Works
Docket No. C-2009-2133572

Dear Mr. & Mrs. Theodore and Denise Wing:

Attached is a copy of the Pennsylvania Public Utility Commission's ("PUC") notice of a pending initial hearing on Friday, December 17, 2010. This hearing was scheduled regarding your complaint against Philadelphia Gas Works ("PGW") filed with the PUC on September 23, 2009. Your note states that the hearing should be cancelled because the matter has been settled.

PUC records show that you had a complaint against PECO Energy Company ("PECO") at Docket No. C-2009-2134656 that was settled. However the matter scheduled on December 17, 2010 is against PGW not PECO and is at a different Docket No. C-2009-2133572. PGW also communicates that the complaint at issue has not been settled.

Please contact the undersigned to indicate whether you still want a hearing on this matter or whether you wish to withdraw your complaint. My mailing address is the following:

Your prompt response is appreciated.

Sincerely,
