Answers to Data Request

1. In Section 4(c) PROPOSED SERVICES – of the subject application, it is stated: “...Pennsylvania Gas & Electric seeks to offer retail service to residential, commercial and industrial customers...” In Section 4(e) CUSTOMERS – the box was checked that indicated service was to be provided to all of the customer classes – which also includes Governmental Customers. Please confirm the proposed customer groups.

Energy Services Providers, Inc. d/b/a Pennsylvania Gas & Electric plans to offer retail service to all customer classes, residential, commercial, industrial and governmental. We have revised Section 4(c) and have enclosed it for reference.

2. In Section 4(d) PROPOSED SERVICE AREA – a list of the EDCs for which the applicant proposes to provide service was included; the list included Met-Ed, Penelec and Penn Power. However the Certificate of Service which was provided did not include these companies. Please address the discrepancy.

Energy Services Providers, Inc. d/b/a Pennsylvania Gas & Electric does not plan on providing services in the Met-Ed, Penelec and Penn Power territories. We have revised Section 4(d) and have enclosed it for reference.

I Michelle Mann, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this manner. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. §4904 (relating to unsworn falsification to authorities).
