DARLINGTON T. GALTOGBAH

v.

PECO ENERGY COMPANY

HON. SECRETARY,

This is to acknowledged receipt of your instrument regarding the above mentioned. On a serious note, I take exception to this DECISION. At no time that I receive a turn off notice, I received bills of which the last offered me to pay in full my bill by may 8th 2009, which I did. Surprisingly, I was disconnected on may 7th 2009. With all due respect, I've a concern, the document is signed by Hon. Elizabeth H. Barnes, Administrative Law Judge. What does this imply? i.e her role on this case.

Respectfully Submitted:
