Subject: Celeste Payne vs Philadelphia Gas Works Prehearing Order

Docket No.: C-2010-2176678

This is my formal request to withdraw my complaint against Philadelphia Gas Works. I have lost money and time pursuing this issue and I do not wish to lose another days pay. All monies paid in the past to Philadelphia Gas Works was not an admission of debt owed but paid in good faith with the hopes of acknowledgement from PGW that I did not owe amount billed; however this has not happened and I would like to put this entire matter behind me. In addition; my job is very demanding this time of the year and I am unable to get the time off required for the hearing. Please contact me if you have any additional questions. Thanks
