DEAR TAXPAYER,

Welcome to Pennsylvania's business community. The Department of Revenue has been advised that you are authorized to conduct business within the Commonwealth of Pennsylvania.

A corporate account number (file number) has been assigned for tax reporting purposes and is listed above. Please reference this number on all correspondence. The types of taxes that you are subject to report annually are also listed. Carefully review this information and make sure that your name, address and other tax information is complete and accurate. If no Federal Identification number is indicated above, please provide this number as soon as it is available to you from the Federal Government. You should write the Federal EIN in the top right hand corner in the blank space and return this letter to us. If there are changes or additions, make the appropriate adjustments on a copy of this letter and return it promptly to:

PA Department of Revenue  
Processing Division-Registry Unit  
P.O. 280705  
Harrisburg, PA 17128-0705

PLEASE NOTE: Section 601 of the Tax Reform Code of 1971 includes Limited Liability Companies and Business Trusts in the definition of a "corporation" for Capital Stock/Foreign Franchise Tax purposes, regardless of how the entity files with the IRS. Under Section 401, any entity who elects to file as a corporation with the IRS is subject to Corporate Net Income Tax. In the case of Limited Liability Companies and Business Trust, this determination will be made at the settlement of the PA Corporation Tax Report.

Pay particular attention to the month your business or fiscal year ends for the following reasons:

- ❖ For most taxes, the annual report must be filed within 105 days after the close of your tax year.
- ❖ For Capital Stock, Foreign Franchise, Corporate Net Income, and Mutual Thrift Taxes, your first quarterly estimated payments are due within 75 days following the incorporation/authority date.
- ❖ A federal Sub-Chapter S Corporation desiring not to be taxed as a PA S Corporation is required to file form REV-976. REV-976 must be filed on or before the due date or extended due date of the first tax period for which it is to be in effect. REV-976 is available at [www.revenue.state.pa.us](http://www.revenue.state.pa.us).

Payment of \$20,000 or more must be remitted electronically. Taxpayers must register with the Department, prior to making payments. Register on-line through the Department's e-Services Center at [www.revenue.state.pa.us](http://www.revenue.state.pa.us).

You can send your tax payments to the Department over the Internet using e-TIDES (Electronic Tax Information and Data Exchange System). *e-TIDES is an Internet business tax filing system available free of charge.* Tax reports must be timely filed annually even if your first year is less than 12 months long, and regardless of the extent of business activity. You are legally obligated to pay timely and file all appropriate tax returns. Until you formally dissolve your corporate charter, file an out of existence affidavit or cancel a (PUC) license of authorization. Failure to maintain a current filing status can result in penalties and liens.

The Department of Revenue appreciates your cooperation and wishes your business much success in Pennsylvania. If you have any questions please call Taxpayer Service & Information Center at (717) 787-1064, or visit our Online Customer Service Center at [www.revenue.state.pa.us](http://www.revenue.state.pa.us).

Sincerely,
